IT'S SUMMER IN A GLASS

2018 Sauvignon Blanc

The Juliette is perfect for relaxing on a picnic blanket or with long lunches around the pool, surrounded by the stirring sounds of nature and the laughter of loved ones sharing a memorable moment. It is also a great wine for food such as grilled prawns, sushi and other seafood dishes.

Tasting Info

The Juliette is made from 100% Sauvignon Blanc and has her roots in the shale soils of the stunning Highfield farm in Elgin, in a vineyard farmed for premium wine. This includes intensive shoot thinning and leaf removal after berry set to allow optimum tropical flavours to develop in the fruit. Grapes were harvested in the cool early morning hours and sorted at cellar.

This attention to detail yielded a lively wine, with crushed pineapple, bananas and soft tropical notes of white peaches and pear on the nose. A full mouthfeel with fresh green melon flavours that excite the senses, and lingering finish complete the drinking experience.

"This is the inspiration for the fresh and vibrant Juliette Sauvignon Blanc. We really wanted to capture ripe tropical summery flavours, but also wanted to conserve the freshness and racy acidity of this Sauvignon Blanc on the palate and the finish. I think we got it!" - Winemaker's Note
