

OLD ROAD WINE CO

French  
Corner

*Home-grown in our own French Corner, the Franschhoek Valley, this expressive Rhône-based wine packs heaps of flavour, personality and pizzazz. A blend created from the building blocks of its varietal ingredients to create a sum way better than the parts. The parts shaping delicious layers that evolve with every sip and make up an exciting whole...*

**Blend:**

Grenache Noir 45%, Mourvedre 45%, Cinsaut 7.5% & Shiraz 2.5%

**Tasting notes:**

Grenache Noir is first out of the blocks with generous upfront fruit of blackberries, candied cherry and plums, while Mourvèdre adds juicy dark fruit and a savoury richness. Cinsaut flows onto the mix with soft, light strawberry and white pepper spice. All backed up by a slick mouthfeel and supple tannins.

A true pleasure ride of flavour and drinkability, this vivacious wine should be enjoyed wherever the festive vibe takes you, that is, wherever an experience is to be sipped, savoured and remembered.
