

OLD ROAD WINE CO

French  
Corner

*Home-grown in our own French Corner, the Franschoek Valley, this expressive Rhône-based wine packs heaps of flavour, personality and pizzazz. A blend created from the building blocks of its varietal ingredients to create a sum way better than the parts. The parts shaping delicious layers that evolve with every sip and make up an exciting whole...*

**Blend:**

Verdelho 56%, Marsanne 22% & Grenache Blanc 22%

**Tasting notes:**

Verdelho starts off with mouthwatering apricot and stone fruit flavours and the Marsanne joins in with a tropical fruit splash of white pear and melon. Grenache Blanc ties it all together with fragrant fig aromas, tangy acidity and juicy aftertaste.

A true pleasure ride of flavour and drinkability, this vivacious wine should be enjoyed wherever the festive vibe takes you, that is, wherever an experience is to be sipped, savoured and remembered.
